

BAROZA TRANSPORT DUMPSTER RENTAL AGREEMENT

1. Rental Terms:

Baroza Transport provides a 13.26 cubic yard dumpster for rental purposes. Each rental includes up to 30 miles round trip from our home base located at 4301 N State St, Ukiah, CA 95482. Any distance beyond 30 miles will incur a mileage fee, calculated on a per-mile basis. Overfilling (defined as filling above the "water level," i.e., the top edge of the dumpster) and overweight loads (defined as exceeding the 2-ton weight limit) will incur additional charges.

2. Weight and Load Limits:

The maximum allowable weight for the dumpster is 2 tons. Any excess weight will incur an additional fee, calculated based on the closest dump's disposal rate with a 20% markup. The dumpster must be loaded at or below the "water level," meaning no debris shall extend above the top edge. Baroza Transport reserves the right to refuse transport of unsafe or improperly loaded dumpsters and may dump the load on site, with the customer still responsible for the full rental fee.

3. Prohibited Materials:

The customer shall not dispose of hazardous materials in the dumpster. Hazardous materials include, but are not limited to, explosives, flammable materials, asbestos, tires, paint, batteries, large appliances, toxic substances, or treated wood. The customer is responsible for complying with all federal, state, and local regulations regarding the disposal of hazardous waste. Additional information regarding hazardous materials can be obtained from the California Department of Toxic Substances Control.

4. Damage Waiver:

Baroza Transport is not liable for any damage to asphalt, concrete, driveways, or other surfaces where the dumpster is placed or removed. The customer assumes all responsibility for any damages incurred during placement or removal of the dumpster.

5. Penalties:

In the event that prohibited hazardous materials are found in the dumpster, the customer will be liable for a \$500 penalty per occurrence. Additionally, the customer will be responsible for any legal fees and penalties imposed on Baroza Transport due to the presence of such materials. Overweight loads or unsafe conditions will result in additional charges as specified.

6. Mileage Fees:

If the dumpster delivery and pickup location exceeds 30 miles round trip from Baroza Transport's home base at 4301 N State St, Ukiah, CA 95482, the customer will be charged an additional mileage fee, calculated at a per-mile rate.
